537 Unitary Authority Councillor's Reports

For information. (Items raised for decision will appear on the agenda for the next meeting)

538 Matters Arising:

- *Open Forum – December 2018: Pinch-Point*
Cllr Clare will be arranging for assessors from the Highways Department to visit the site and then advise whether the new position is viable as per the concerns previously raised.
Ongoing due to Covid-19.
- *Item 483 – County Councillors Report*
Cllr Hornsey advised that since the brush was cut back along the footway on the left-hand side from the bypass roundabout as you head into the village, it has made the vegetation overgrowing the curb more noticeable. Cllr Clare thinks this requires “siding out” and said that he will raise it with the local area technician.
Ongoing due to Covid-19.
- *Item 530 – Councillors Reports: Slabs on Gorrell Lane*
Cllr Newman will follow up with TfB as to when the support slabs will be repaired / replaced.
- *Item 531(a) – Correspondence: Flags*
A resident has suggested flags to be displayed at the church and Royal Oak recognising and thanking keyworkers and has offered to contribute to the cost.
Cllr Hornsey advised that there can only be two flags at the most at the church.
Cllr Lightfoot suggested the resident may be willing to contribute to the repair of the rope / cable of the Royal Oak flagpole.
Action: Clerk to explore flags and costings and to pass on Cllr Lightfoot's suggestion.
- *Item 531(b) – Correspondence: Fly Tipping*
Fly tipping on the sides of the Barton Road near to the airfield runway and provision of litter bins; It was raised by a resident that cars and lorry drivers park up in that spot and that there is nowhere to put litter.

It was agreed that it is most likely Buckinghamshire Council's Highways team that are responsible. Action: Cllr Maxwell to enquire with Bucks about getting a litter bin in that location. Action: Clerk to check if the Great British Spring Clean is still going ahead in September 2020 – if not, a litter pick is to be organised with the PC providing a skip for the rubbish collected.

- *Item 531(c) – Correspondence: Trees at pond.*

The resident who owns the property closest to the pond on Sandpit Hill has asked if the PC will do something about the trees by the pond that have branches overhanging their land.

It was discussed and agreed that the resident is within their rights to cut back any branches overhanging their land but the PC is not currently in a position to cut back or remove any trees that are not a hazard. Action: Clerk to feedback to the resident.
