- *Item 691 Councillors Reports: Planning – Buckingham Neighbourhood Plan.*
Cllr Hornsey agreed with Cllr Stuchbury that the PC should explore the option of joining Buckingham on their Neighbourhood Plan.
Clerk reported prior to the meeting that the Buckingham Town Clerk has been contacted and a response is awaited.
Clerk advised that there has still been no response so she will chase the Town Clerk again.

- *Item 703: Councillors Reports – Grass Cutting*
Cllr Lightfoot thinks it may be worth exploring devolving the service from Buckinghamshire Council and Tingewick taking over the works but this will need to be explored in more detail.
Cllr Lightfoot obtained a copy of the application for devolving services; however, it states that applications closed in 2019.
Action: Cllr Lightfoot to explore this with local parishes who have devolved services.

- *Item 703: Councillors Reports – Special Projects*
Cllr Newman raised the speeding issue, as recently discussed on the Tingewick Life Facebook page; the PC is exploring the “20 is plenty” campaign as in Stewkley and around the country.
Cllr Lightfoot agreed to speak to Dadford regards their “red roads” and raised junctions that have been completed; to find out how and by whom they were installed.

Discussed in Open Forum; Cllr Lightfoot advised that she has spoken to Dadford’s Parish Council about their new raised junctions, zebra crossing and red zone tarmac which she was told were paid for by a local business park and cost £100,000!

Andrew Pegg from the Lib Dem Focus Team for Buckingham West attended and advised that last month a formal petition was done around the houses in Water Stratford; people in Water Stratford want a 20mph limit in what is now the 30mph area.

The team is currently deciding on the best way to present the petition to Council.

Cllr Lightfoot advised that the 20mph limit was raised at the most recent Community Board meeting and following that meeting she was contacted by Maids Moreton Parish Council stating that they agree. She feels that there would be a similar result for a petition in Tingewick. Cllr Lightfoot has been exploring stickers / signage for Main Street “20’s plenty for Tingewick” and thinks the visibility with the stickers would be a good place to start.

Cllr Stuchbury noted that in Water Stratford and Radclive it is a common theme and suggested it may be worth trying to coordinate the Parishes.

Mr Pegg agreed, he feels the way to do this, if we want to be successful, would be to start from the ground up; taking it from the parishes upwards through the council.

Mr Pegg said that he would be happy to take the lead on it and contact the different parishes to try and get them in to one meeting.
